Mail & News PTUnet

The screenshot displays a PTUnet interface with several windows. On the left, a 'News Groups' list includes categories like 'comp.binaries.mac' (38), 'comp.os.mach' (32), 'comp.os.minix' (209), and 'comp.std.unix'. The main window shows an email from 'silva@mickey' with the subject 'Reur' and a message in Portuguese: 'Nao esque... na 4. feira. Prepare... e uma apresentacao sobre... cao do trabalho da equipa.' Below the email, there are terminal windows showing a telnet session to 'dec4pt.puug.pt' and a file transfer attempt to 'anonymous@alf.eu.net'. A large diagonal watermark reads 'I can't get no SATISFACTION whithout PTUnet'.
